13th Sunday of Ordinary Time; June 30th, 2024

Today it is Jairus who pleads the Lord. Jesus is just landed and a mob jumps on Him and pushes Him along. As he walked to Jairus' house, a woman who had been sick for 12 years –full of trust–, touches Jesus' mantle cloak and finds herself instantly cured... In the meantime, the daughter of Jairus passes away.... \_ "Your daughter is dead," they said. "Why bother the teacher anymore?" But the answer of Jesus is "Don't be afraid; just believe." Just believe!

VATICAN CITY, June 23<sup>rd</sup> Pope Francis makes appeal for leaders to act responsibly, cultivate peace, and pursue negotiations to ongoing conflicts and wars. "May the Holy Spirit enlighten the minds of rulers, instill in them wisdom and a sense of responsibility, to avoid any action or word that fuels confrontation and instead aim resolutely at a peaceful solution to conflicts." Pope Francis made this appeal during his weekly Angelus address on Sunday, as he recalled the tragic events happening in the Holy Land and in Ukraine, and said that to overcome conflicts, "negotiations are required." Addressing the faithful gathered in St. Peter's Square, and all following from afar, the Holy Father discussed the wars plaguing the world. "Let us continue to pray for peace," the Pope urged, recalling in a special way, Ukraine, Palestine, the Democratic Republic of Congo, and Israel. "Let us pray for peace!" The Pope appealed, as he remembered in a special way "tormented Ukraine, which suffers so much "Let there be peace!" he said, calling on rulers to act responsibly and work to end conflicts.

### **Funeral Mass**

On Thursday June 27th, there was a Funeral Mass for the repose of the soul of Miguel Monterichard. May he rest in peace and our sincere condolences to his family and friends.

### **Catholic Women's League information**

Special thanks to Jacqueline Quackenbush for an informative presentation on how the church supports our mental health. Many great ideas were shared. Thank you to all who attended the meeting and for everyone's contribution. We especially want to thank the parishioners and trustees of St. Patrick's Parish for generously supporting our council so that we can send our president to the National Catholic Women's League of Canada Convention this summer in Saskatoon. She will have many inspirations to share with us in the fall.

HUNDREDS OF RESOLUTIONS; Over its history Catholic Women's League members have proposed hundreds of resolutions; some become laws, others serve as seeds for change - all serve to educate members.

### **Reflection for this Sunday's Gospel**

#### ***"Just have faith"***

Today Saint Mark presents us with an avalanche of needy who approach Jesus-Savior seeking comfort and health. Even that day a man named Jairus, the head of the synagogue, made his way through the crowd to implore the health of his little daughter: "My daughter is at the point of death. Please, come lay your hands on her that she may get well and live." (Mk 5:23).

Who knows if that man knew Jesus by sight, from seeing Him frequently in the synagogue and, finding himself so desperate, decided to invoke His help. In any case, Jesus, grasping the faith of that afflicted father, agreed to his request; only while going to his house did the news come that the girl had already died and that it was useless to bother Him: "Your daughter has died; why trouble the teacher any longer?" (Mk 5:35).

Jesus, realizing the situation, asked Jairus not to be influenced by the pessimistic environment, saying: "Do not be afraid; just have faith." (Mk 5:36). Jesus asked that father for a greater faith, capable of going beyond doubt and fear. Upon arriving at Jairus' house, the Messiah brought the girl back to life with the words: "Talitha koum," which means, "Little girl, I say to you, arise!" (Mk 5:41).

We too should have more faith, that faith that does not doubt in the face of life's difficulties and trials, and that knows how to mature in pain through our union with Christ, as Pope Emeritus Benedict XVI suggests in his encyclical *Spe Salvi* (Saved by Hope): "It is not by sidestepping or fleeing from suffering that we are healed, but rather by our capacity for accepting it, maturing through it and finding meaning through union with Christ, who suffered with infinite love.
